Please remember that **ALL GROUPS AND INDIVIDUALS** using the Aldersgate facility **must** contact the church office and schedule their meetings, rehearsals and events on the Master Calendar. Using the Master Calendar avoids conflicts and confusion and insures that your meeting or event is set up properly with the necessary equipment.

Our facility is in **constant** use both internally and by outside groups. What you see on the Sunday bulletin calendar is only a small portion of the events and activities that are occurring during the week.

In addition, it is **VITALLY IMPORANT** to remember to close and lock all doors and windows when you adjourn. Thank you for your help in keeping our property secure!

FROM PASTOR TIM

"A good name is more desirable than great riches." – Proverbs 22:1

My dad is a retired United Methodist pastor. In addition to serving several local churches, he taught United Methodist classes at Fuller Seminary for many years. One day I met a Methodist pastor who heard my last name and asked, "Are you Bill Ellington's son?" I said, "Yes." A huge smile came over his face as he dropped what he was holding, held out his hand and said, "What an honor to meet you. I must shake your hand. Your dad had a huge impact on my life."

I'll never forget that moment. In it I realized how valuable a reputation is. I realized what a great gift my dad had given me. My dad, who will be 90 in September, hasn't passed on great riches, but he has passed on to me a great reputation. And that is a gift that money can't buy.

In Colossians 1 Paul writes, "We have heard of your faith in Christ Jesus and of the love you have for all God's people." In other words, we have heard of your reputation. The Christians in Colossae were known for their faith and love. Their reputation proceeded them in a very positive way.

The same is true for you all at Aldersgate. You have a great reputation. You are known for your faith and love. I've experienced this first hand on several occasions since being appointed here.
`

One of these times was in May at the Transitions Workshop for clergy in our Conference who are receiving new appointments. During this workshop a pastor came up to me and said, "I hear you're going to Aldersgate. That church has some amazing people. As a young adult, Aldersgate had a huge influence on my life."

I experienced the same thing at our recent Annual Conference in Redlands. During one of the morning sessions a pastor came up to me and said, "I see you're going to Aldersgate. Great church – had a big impact on me and my call to ministry."

One more example comes from Pastor Ken. He shared with me how at a recent golf tournament, the Tustin Chief of Police said to him, "Oh, Aldersgate; we love your church."

Your reputation precedes you! Like my father, you have a gift to pass down to future generations. And the essence of this gift is the lives that you have impacted for the sake of God's kingdom.

As your pastor, my hope is to partner with you and equip you so that this gift can be strengthened and shared even more widely. I pray that our reputation will grow – in Tustin, Orange Country and throughout the world. I pray that future generations will speak about our faith and love. I pray that people we haven't even met yet will one day say, "Aldersgate had a huge impact on my life."

I am excited for the journey ahead and deeply grateful for the opportunity to serve as one of your pastors.

With great hope and expectation,
Pastor Tim

Cindy, Micah, Daniel and Tim

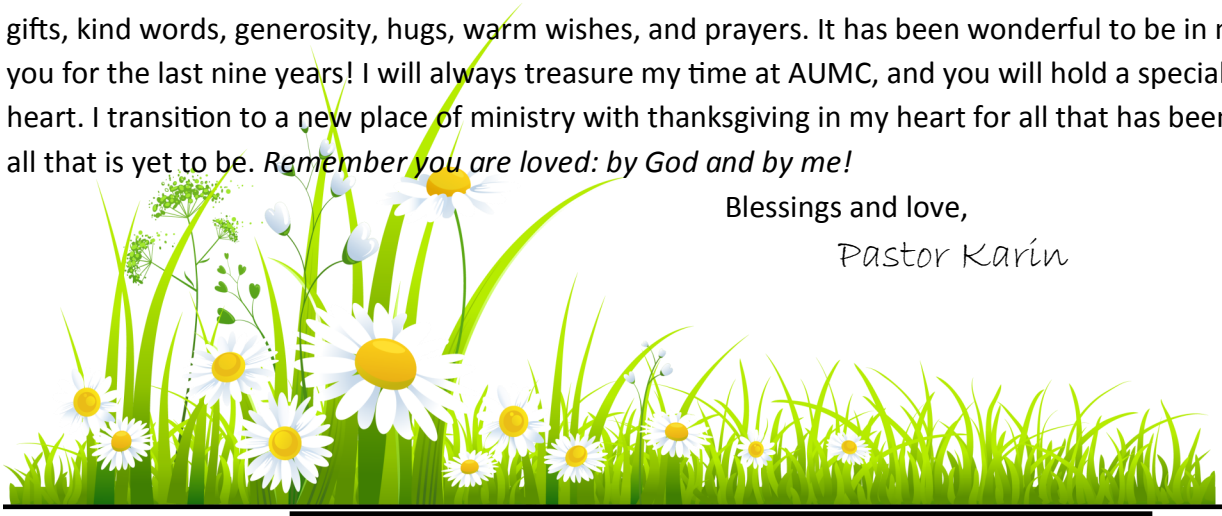
THANK YOU!

Dear Church family,

Thank you so much for a beautiful and heart-warming party! My family and I were overwhelmed by your gifts, kind words, generosity, hugs, warm wishes, and prayers. It has been wonderful to be in ministry with you for the last nine years! I will always treasure my time at AUMC, and you will hold a special place in my heart. I transition to a new place of ministry with thanksgiving in my heart for all that has been, and hope for all that is yet to be. *Remember you are loved: by God and by me!*

Blessings and love,

Pastor Karin



Fireside Room Renovation

When you look around the Fireside Room of our church, you see art and symbols that remind us of God's grace throughout the years. There is the story of Creation and a large Alpha and Omega piece that reminds us that God's faithfulness endures from the beginning to the end. There are also paintings given to us by a refugee family that was assisted in finding a new life here in America by our church family in the 70s. If you keep looking, the wood paneling on the walls, the piano, fireplace, side tables, lamps, and comfortable chairs remind us of what the Fireside Room was intended to be: a living room, a place for people to connect with one another and be reminded of God's grace and hope. And they are a testament to the love and care that previous generations of Aldersgate members had for this place and its ministries.

After much prayer and conversation it has been discerned by the Board of Trustees and the Church Council that times have changed and the room needs to be updated, and possibly given a new name. **The purpose of the room, however, will not change.** In fact, all the ministries that are currently using the Fireside Room will still be able to use the renovated room, and the technological and lighting updates will make the room more multi-functional for our ministries and more appealing to our visitors and guests. The precious mementos that currently grace the walls of the Fireside Room will find new homes in other locations on the church campus.

I do want to thank all those who have been praying about and planning for this renovation for many years! Your efforts and prayers have brought us to where we are today. The Trustees have finalized a plan, selected a contractor, and the Church Council is in process of reviewing and approving the project. Although we have enough funds for the room renovation through the faithful giving of our pledges and special Easter offering this year, we will need to invite personal sponsors to furnish the updated room.

At this point, we are hoping to begin our renovation project by mid-July and hope to have completed the renovation by the end of August. As we know with all construction projects this is a best-case scenario, and I invite our prayers, patience, and support in completing this project.

May God continue to renovate, update, and inspire our personal lives to be used for God's purposes for such a time as this... and may our newly renovated room be used as an instrument (not as a museum) to help us connect, grow, and serve together for the glory of God.

In God's eternal grace and life-giving hope,

Pastor Ken

BeFriender Ministers

BEFRIENDER MINISTRY
A Listening Presence

The BeFriender ministry of Aldersgate is a listening presence. This ministry is not a ministry of "doing", but of "being,"--being present and listening quietly. Everyone is, at times, on a difficult journey and needs a caring companion who will listen, empathize, and be a reminder of a caring, faith community. All requests and meetings are confidential. This ministry comes under the umbrella of the Care and Nurture team. If you are interested, or know of someone who might be, do not hesitate to contact the church office.

Youth News!

Scott Wilmoth - Youth Ministry Director

Greetings,

We've had an absolutely incredible month of June! It started with an amazing Youth Sunday worship on June 3rd. Our youth led every part of the worship service from the singing, to the instruments, to being acolytes, to dancing, to the messages, to the reviews, to the prayers, and to the affirmation of faith. Our graduates Chris Bell, Toby Suhr, and Kristine Okereke gave messages that were perfect reflections of who they are as people of faith. We welcomed Gabby Falchetti, Matthew Henderson, and Jack McCroskey to the youth group as incoming sixth graders. Thank you to the congregation for your constant love and support of our youth group!

We took 19 of our senior high youth to Houston, Texas to help rebuild lives after Hurricane Harvey. We worked on a house in a suburb called Rosenberg, helping to hang dry wall throughout the entire house. We didn't finish the whole house, but we did a lot of work. We are certainly proud of our youth and the work that they did in the heat and humidity. They made a difference in the lives of Patty and Daniel (the home owners), and we grew closer in our relationships with each other and with God. We were the Hands of Christ for sure! Thank you to Parkway UMC in Sugarland, Texas for hosting us and treating us so well.

Right after the mission trip VBS started! Many youth led groups, staffed stations, sang songs, and built relationships with the VBS children. Thank you Kim Wilmoth for another amazing VBS experience!

Finally, we had to say "goodbye" to Pastor Karin, Abby, Paul, and Steven Ellis this month. A joyful celebration for them was followed by a spiritual worship service the next day. Thank you so much Ellis family for all you do. You are loved, and we wish you well at La Canada UMC!

God is so good! Amen!

Blessings, Scott

MISSION OUTREACH

FAMILIES FORWARD

DIGNITY • EMPOWERMENT • HOPE

Aldersgate has a long history supporting the efforts of Families Forward in Irvine (www.families-forward.org or email: info@families-forward.org). This organization depends upon the support of its community to provide Orange County homeless families or families at risk of homelessness with tools and education to maintain self-sufficiency. The primary goal is to move families in crisis to stability.

Special Volunteer Opportunity

On Saturday, July 14, you have an opportunity to be a part of their annual **Storefront Community food drive**. Pantry shelves get bare in the summer months. The Community-Wide Food Drive is essential to re-stock pantry shelves. We would love if you could share this volunteer opportunity with your friends, family, and other contacts who may be interested in volunteering!

Volunteers are stationed at local grocery stores in Tustin and Irvine to greet shoppers and ask them to pick up a few extra items to donate to local families in need. Volunteers typically work a 2-3-hour shift. This is a fun-filled opportunity that is great for friends, clubs, and families with young children, as you can volunteer together for a great cause!

If you are interested in volunteering for this event, please sign-up via Families Forward's Sign-Up Genius link below!

Sunday Supper

A Hunger and Hospitality Ministry
Serving our local community since 2010

In June 2010, our neighbor congregation, St. Paul's Episcopal Church, opened their doors for the first Sunday Supper. No one came. But, they persisted, the invitation quickly spread, and their numbers grew. Thus they saw the need to serve a supper every Sunday and invited Aldersgate UMC to join their ministry.

Aldersgate UMC has served Sunday Supper on the third Sunday of every month since October 2010. We served 35 people that first Sunday. Last month we served 80. Sunday Supper is an interfaith partnership with five other congregations that provides a healthy meal and groceries EVERY Sunday for our neighbors. There are no questions asked and no requirements to attend. All are guests welcome.

We invite new volunteers to fill the 35+ volunteer positions. If you are interested, please contact the church office at (714) 544-3653.

***REPORT FROM JOY:* Strawberry Farm Tour** Several JOY members joined the Elks Travel Club for a tour of the Tanaka Farms in Irvine. We started the tour on a tractor pulled wagon. One of the Farm Hands was aboard to tell us about the crops we were passing. Surprise, we stopped by a large cooler by the side of the road and were given a sample of the vegetables we were passing! Each stop had a different veggie, green onion, bok choy, carrots and white corn were sampled during the tour. Finally, we reached the Strawberry Patch and to our surprise the Strawberry plants were in plastic trays, about chest height, stretching on 50 or so, long, long rows of ripe strawberries. We had a plastic box to put our strawberries in, pick one, eat two and so on, we filled our boxes. I can still taste the red, ripe, fresh berries. A great time was had by all. Stay tuned for future trips.
